Teacher Training

General English Courses & Exam Courses (IELTS, FCE, CAE, CPE and others)

Our courses adopt a comprehensive, communication-based teaching method, maximising all-round development of the English language systems (pronunciation / vocabulary / grammar), and skills (listening / speaking / reading / writing). Students' progress is continuously monitored, including regular one-to-one tutorials and regular testing and exam practice.

Our exam students can also take practice exams at the school as well as receive personalised feedback and guidance so as to optimise their exam performance and result.

We also ensure students put into practice the language and grammar taught in order to build their confidence and consolidate learning.

We are an achievement-orientated school, and for this reason all our English Language and Exam Courses are priced the same, as we encourage all our students to take internationally recognised exams.
